Dear Mr. Garrison, being a Physician, and now in the age of transitory years, being desirous of assisting the

of Section 15 Township 32, of Range 2d, under the act entitled "An act to prohibit and punish the  
practices of Public Lands to injure timber and timberous," approved August 4th, 1854, as it appears to me that

done

some ~~timber~~ <sup>timber</sup> in endeavoring to fell the timber on the

of Section 23 in Township 6d, of Range 2d, and that, vegetation will still exist. I have no complaint

from the United States, under the provisions of said act, over those trees felled and never sawed, growing  
in the established roadway; and further, that said tract is not now in the occupancy of any other person, either,  
whose pretensions have failed at the time of said law, and further, that it does not bear any mark made  
standing upon said land at the time of my entry of the same, & I hereby acknowledge all rights in the same.

Very respectfully yours

Given to and acknowledged before me, on the
